

Supersonics Grades

- This list has been prepared as a guide and is based on the grading levels of the major examining boards in Australia (AMEB, ANZCA, St Cecilia, etc). Thank you to Mark Gibson for his assistance with *Supersonics* gradings and to Mark Griffiths for his assistance with the *Soundscapes* and *Soundwaves* gradings. Both Marks are experienced AMEB examiners and their input was invaluable.

- All pieces may be presented for St Cecilia Classical Piano and Concert Certificate exams and various pieces are also listed on the Digital Piano syllabus. You can view the syllabuses [here](#).
- Various pieces have been listed on ANZCA's Classical Piano and Modern Piano syllabuses. You can view the syllabuses [here](#). (Some of the grades differ to those listed here.)
